Change of Admission Semester

Instructions

- Available for one academic year; students missing more than 2 academic semesters are required to reapply to the program via the electronic application system.
- If you have attended another academic institution during your absence from NMSU, you are required to submit official transcripts.
- Students whose requests are approved will be issued a new admission letter reflecting the updated semester— International students will receive updated immigration documents as well.
- Complete and return form to University Admissions.
